**Recent Course Reviews**

*“I thought your course was excellent, it sets out information in a simple but concise way without the tedious jargon.”*  
**Senior Medical Officer at a major Australian Bank**

*“Overall, I found this very good and I believe would meet the needs of people/companies not educated about Pandemic Influenza.”*  
**National OH&S Manager – Transport**

At a recent evaluation testing the course scored an overall average of 8/10 for usability, content, graphics and practicality.
